\* All measurements in cm.  
Sizes of individual products may vary by up to 3cm due to the handmade nature of the product.

## Higher Grade, Molded Foam

---

Experience uncompromised comfort, thanks to our advanced cold-cure foam technology. Invest in a seat that supports you year after year.

## Steel Interior Springs

---

Located throughout the seat to provide optimum support whilst cradling the body.

## Solid Frame Construction

---

A hardwood frame provides durability and strength.
