Sizes of individual products may vary by up to 3cm due to the handmade nature of the product.

Higher Grade Foam

Our premium cold cure foam technology provides exceptional comfort and lasting support, ensuring an unmatched sitting experience.

Steel Interior Springs

Located throughout the back and seat to provide optimum support whilst cradling the body.

Solid Frame Construction

A steel and hardwood frame provides durability and strength.

POWER

With our Power recliner option, receive a motorized recline you can operate at the touch of a button.

Comfort Glide

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.
